STATEMENT BY PATRICK SHEEHAN,
Cappagh House, Clondalkin, Co. Dublin,
dated 7th March, 1951. W.S. 490.

According to an undated note on the personal file of this witness, the statement of evidence, referred to above, was given back to the witness by an Investigator on 15th August, 1952, presumably, at his request, to enable him to prepare for the Bureau a more comprehensive account of his association with the movement for independence.

So far, this statement has not been returned to the Bureau, nor has the more comprehensive one been received from him.

P. SHEEHAN.

24th April, 1957.
